

FUSE WORKS: feb 13th - mar 8th

Opening reception on Friday, February 13th, from 7-10pm

Open Source Gallery presents "FUSE WORKS", an exhibition of recent multiples and editions from the **Fuse Works** program. The exhibition features works by Luca Bertolo, Chiara Camoni, Heidi Cody, Gregory Curry, Lisa DiLillo, Domenick Di Petrantonio, Double A Projects (Athena Robles and Anna Stein), Glen Einbinder, Cadence Giersbach, David Kramer, James Leonard, Oscar Perez, Marcin Ramocki, Matt Richards and Jan Sokota.

Fuse Works exhibits multiples and editions by artists who approach editioned artwork as a field of artistic discourse and inquiry itself, rather than simply a means of mass-producing their efforts. Fuse Works is an independent, itinerant curatorial endeavor organized by Amanda Alic and Ethan Crenson. The program maintains a small home base at the Front Room gallery in Brooklyn and offers a virtual storefront online (www.fuse-works.com). Following the exhibition, Open Source will become the second gallery location in Brooklyn to offer Fuse Works editions.
