Date \_\_\_\_\_

On August 8th, 17th street will be closed to traffic and will be having one of its annual block parties. Given that we are in the SouthSlope, our street provides enough incline for a soap box derby. We will obviously be taking every precaution to make this event as fun and safe as possible for the kids including brakes on the cars and a net on the end of the course but a bicycle helmet and any other protective gear is surely a good idea.
